

ASSIA2017

The Third Asian Summer School in Information Access

August 2nd - 5th 2017, Kyoto, Japan

Co-located with SIGIR2017, Tokyo Japan
(August 7th - 11th)

Call for Participation

Visit Kyoto, Enjoy IR!

We are pleased to announce that the 3rd Asian Summer School in Information Access (ASSIA) will be held on August 2-5, 2017 at Kyoto, Japan, right before the SIGIR2017 conference in Tokyo, Japan. We plan to offer a wide range of subjects taught by the leading IR researchers. We also provide participants with an opportunity to communicate with other participants, and to have discussions with the outstanding lecturers through the poster session, banquet and social activity.

Registration: May - June 2017 (70-80 people)

Lectures (TBA)

- Introduction to IR
- Advanced IR Models
- Machine Learning for IR
- User Modeling
- Evaluation
- Social Media Analysis
- Collaborative Search
- Online Experiment
- Federated Search
- CrowdSourcing

Organizers: Makoto P. Kato Takehiro Yamamoto
Hideo Joho Masatoshi Yoshikawa

Place: Kyoto University Clock Tower
